**** ABOUT THIS SHOW ****

In 1983 and 1984 Committee Members visiting the continent saw how the five colours were judged individually. On their return, while discussing various aspects of the trips, the idea of judging the exhibits by colour was raised.

Following those initial discussions, the Club obtained Kennel Club permission to schedule classes by the five recognised colours. So, in 1985, the first Midland & West of England Great Dane Club Colour Format Open Show was run. This is the 33rd show and each year you have shown your approval for this format by giving us an entry which rivals those at Championship Shows. Since the inclusion of the Mantle colour pattern, the show now accommodates all six recognised colours.

There will be **TWO RINGS**; one for Fawns and Brindles and one for Blacks, Blues, Harlequins and Mantles. The start time in the rings is staggered and we follow scheduled order closely so make sure you get there early.

11. **BEST PUPPY IN SHOW:** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same Show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy, it will also automatically be Best Puppy in Show respectively. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in Show respectively. The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition.
WITHDRAWAL FROM COMPETITION : Dogs which become eligible for Best in Show may be withdrawn from all other competition other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show, however, must not compete in any subsequent competition.
PROVISO : For the Purpose of this Regulation, dogs beaten in competition for Stud Dog,

Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed will not be considered to be a beaten dog.

13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
17. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
18. **DOGS IN VEHICLES ON HOT DAYS.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

19. Not for Competition: Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
20. No modifications will be made to this Schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.

22. The Committee will be most anxious for the care and safety of the dogs and for other property, but it must be distinctly understood by exhibitors and all other persons, that the Committee will not be responsible for the loss or damage to a dog or dogs, or any other property, whether arising from accident or any other cause whatsoever, nor for any act of omission of themselves, their officers, agents, servants or others, and it is on this understanding that entries are accepted.
- 23.a) Dogs shall not be left unattended in the hall under any circumstances.
- b) Dogs shall not be attached to any of the venue's fixtures or fittings.
- c) The feeding of dogs within the main hall is strictly forbidden.
