YOUR JUDGES

Jacki Evans. Zaydah

I have been around dogs all my life. My grandfather bred Airedales, an uncle Welsh Terriers and my parents Dachshunds. I apparently learnt to walk holding on to an Airedale bitch.

Having owned and shown Afghans, Shelties and Briards, I saw my first Puli at Swindon Open Show in 1976 and was hooked. I became a proud owner of a Desamee male from Nancy and Mike Tomlin's kennel in April 1978. Two bitch puppies joined him in the next few years, a Kreba Bitch from Jenny Baker, who sadly died at 9 months old from the little known (in those days) Parvo Virus and a Taploka pup from Paul and Anne Stringer who were having a lot of success at the time with stock mainly from Frou Stretton's Amroth kennels. These two, Shambles and Asta became the foundation of 13 generations of Zaydah Pulis.

To date we have bred 14 Champions, the breed record holder and the first bitch and only the second Puli to win BIS at a general Championship show. Dogs bred or owned at Zaydah have won 162 CC's so far.

I first gave CC's in the breed at Southern Counties in 1988 and since then have awarded CC's at most of the general Championship shows and at the Puli Club show in 1994. I had the honour to judge Crufts in 2001, the year it almost didn't go ahead due to the outbreak of foot and mouth and was eventually held the last weekend in May. It was also the first year for overseas exhibitors to compete. I have also judged at the Puli Club of America's Specialty in Ohio.

I look forward to judging the Club Show this year and would like to thank the Puli Club for the invitation.

Nicola Sharpe

I got my first dog when I was only 10 years old, but it was 1992 that my love of dogs deepened. I got a Border Collie/Bearded Collie cross called Sam and then in 1993 I got my first Bearded Collie Nigel who I also started showing. I had 3 in all Nigel, Becki and a homebred boy Lewis. It was during showing Bearded Collies that my path led me to the Hungarian Puli and in 2000 was lucky enough to be given an opportunity to be owned by one.

I am thrilled to be given the opportunity to start on my Judging path with The Hungarian Puli Championship Show's Special Classes and wish to thank the Committee of the Club for inviting me to do so. I am very much looking forward to it.

The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

- When at the show, never leave your dog in the vehicle.

- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

VIDEO CAMERAS USED AT KENNEL CLUB LICENCED EVENTS

Photography & Filming. The taking of photographs in the exhibition premises, for sale or reward is strictly prohibited except with the written permission of the organisers. The organisers reserve the right, at their absolute discretion, to confiscate cameras and/or films, for infringement of this condition. There is no objection to the general public taking photographs or video film of general views of the show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificates are awarded. Filming and flash photography is allowed outside the rings at all times, unless the operation of the camera is actually affecting the exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematography or television equipment may only be used at the show if a permit has been issued by the organisers. There are also certain restrictions on the use of cameras for still photography and private video films.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to powerpoints so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

If you wish to become a member of the Hungarian Puli Club of Great Britain then please contact the Hon. Secretary for a membership form, which can then be submitted with your entries. Membership gives you access to the clubs various events, reduced fees at our shows and advertising, and a free copy of the clubs magazine the "Cordlet". Please support your club as we are here "to promote and protect" our unusual breed.
