ABOUT YOUR JUDGES

Robert Corah (Callendu)

In 1993, I was fortunate enough to meet a Puli for the very first time, quite an experience! Six years later, once married and living in our own home we rescued that same Puli after learning he had been placed in Battersea Dogs Home at the age of 13.

Our Puli, Lincoln, was one of the last Pulis that came from the late Pat Lanz lines. We were fortunate enough to have the absolute pleasure of Lincoln's company for the following 5 years. After losing him both our home and hearts were completely empty and it is due to Lincoln our Puli story grew:

Along with my wife, we started showing our next Puli in 2006 and was elated when he gained his first CC under a breed specialist. In 2011 he became our first UK Champion, also achieving success in the ring in Europe. The size of our Puli family grew with our second Puli becoming a Champion in 2014. Our life now revolves around 7 Pulis.

Our first litter was born in 2012. The following year we considered ourselves privileged having shown a puppy from that litter at the World Dog Show in Budapest, graded excellent and achieving the Hungarian Junior Winner title. I took my first BIS award in 2015 with one of our homebred Pulis. My interest and love for the breed has continued to grow along with enough confidence to undertake the relevant Kennel Club Seminars including the Hungarian Puli Club's Judging Seminar.

To date I have judged Pulis on 3 occasions, with my Best of Breed taking a group placing each time.

I feel honoured to be judging Pulis at the Hungarian Puli Club's Open Show and I am very much looking forward to my day!

Stuart Band (Essandsee)

I have been exhibiting dogs for 30 years along with my partner, Cindy McCarthy. Our first show dogs were a Bouvier Des Flandres & a Briard. This was the beginning of a passion which would become a prominent feature in our lives. Since that time I have been active in Affenpinschers, Bearded Collies, Bergamaschi, Bolognese, Bouviers Des Flandres, Briards, Havanese and, more recently, Miniature & Standard Poodles.

As a result of my professional background I became involved in various breed clubs and societies and am currently Secretary of the Bergamasco Club of Great Britain, Treasurer & Trustee of the Canine Supporters Charity, President of Crystal Palace Canine Association, Chairman of the Finnish Lapphund Club of Great Britain & Chairman and Vice President of South Eastern Counties Toy Dog Society.

My judging career began in 1988 when I was encouraged by the late Pamela Cross Stern to accept my first appointment to judge Bouviers, with some persuasion by the late Sue Pudney, at Crystal Palace. I never dreamt that this would lead to my judging the breed at Crufts. I now judge numerous breeds in the Pastoral, Toy, Utility & Working Groups at both Open & Championship level and have also judged a heat of the Pet Plan/Dog World Pup Of The Year Stakes in addition to several Group & BIS appointments. My first CC appointments were in 2000 in Affenpinschers & Bouviers Des Flandres.

I have received several invitations in the past to judge the Puli Club Show and, due to a diary clash with Westminster Kennel Club, I have always had to decline. I am delighted to have been able to accept on this occasion as the dates do not clash. I have owned several breeds with unusual coats over the past couple of decades, most notably Bergamaschi, a corded Havanese and, most recently a Miniature Poodle (corded) and a Standard Poodle currently undergoing the process. I have followed Pulis during this time and have observed them at close range in Europe and the USA and cannot wait to undertake this appointment. To be asked to officiate at a club show of one of my favourite breeds is a privilege.

I award CC's in Golden Retrievers and I am really looking forward to my day judging Pulis.

14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11
16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for exhibition.
17. All dogs resident outside the U.K. must be issued with a Kennel Club Authority to Compete number before entry to the show can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor.
18. Dogs in vehicles on Hot Days Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
19. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
20. No modifications will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
21. The Show will be held under Kennel Club Rules and Show Regulations. Every exhibitor making an entry or entries at this show shall be deemed to have agreed to abide by these Rules and Regulations and it is on this understanding only that entries are received.
22. The Committee of this show cannot be held responsible for products advertised or sold by standholders at the show, and remind exhibitors that such products may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
23. Exhibitors/handlers are responsible for clearing up and removing any loose hair or fouling from

- dogs in their charge, or any other litter, whether from the car park, the exercise area or from any other part of the venue.
24. Parents/Guardians please note, well behaved children are welcome but those in charge of children will be held fully responsible for their actions and any damage caused within the environs of the show.
 25. Owners, handlers, exhibitors or any other person in charge of a dog at a Kennel Club licensed event must ensure at all times that the dog is kept under proper control whilst at the licensed venue including its environs, car parks and approaches.
 26. A dog may be disqualified by the General Committee from any award, whether an objection has been lodged or not, if proved amongst other things to have been registered or recorded as having been bred by the scheduled judge. This shall not apply to a Judge appointed in an emergency.
 27. Soft Crates: The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.
 28. Each exhibitor is responsible for providing their own crate or cage identification detailing that exhibit number, this should be displayed at all times. The original exhibit number as provided by the Show Society must not be used for this purpose.

5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate), to substantiate the grounds for the objection.
