YOUR JUDGES

Linda Walker (Jolicoem)

I have owned, bred, shown, worked and loved GSP's since the first small brown pup came into my life 36 years ago in 1982. Bred by Barbara Earley Bellandowa Dana, Rhodie enjoyed competitive obedience then I became fascinated watching her natural HPR instincts develop as she pointed wildlife and presented me with live baby rabbits, I enrolled at the Sussex GSP Club where my love of gundog work began. We dipped our toes into working tests, plus exemption shows, often winning BIS. Rhodie was a wonderful family dog and a great introduction to the breed.

My 2nd GSP Nutmeg, Pitwit Springtime Love, picked me as her owner by lying on my feet. Bred by Fred Whitworth and Sue Pitman. She gained her Stud Book Number and Gold Good Citizen award but most of all, along with Booton Troupier, she produced my 1st litter where Louis, SHCH Jolicoem Krakatau JW came from. At the GSPA Champ show aged 24 mths he went Best in Show, my 1st ever CC. He gained 7 CC's, 7RCC's plus numerous Open Show BIS's I can honestly say Louis has a very special place in my heart.

A repeat mating gave me Jolicoem Inspiration JW SHCM, Phoebe was my truffle dog, she had such a good nose for the delicacy sniffing up the 'smelly black stuff', if only I had known its value back then! Phoebe was full of character winning a RCC plus many BIS's at Open shows. She won through to the final 10 in the prestigious JW Competition where we had the honour of showing in the main ring at Crufts. Phoebe had a litter with Wittekind Chippendale where I chose Tia, SHCH Jolicoem Apache Tear JW SHCM. 6 CC's and 5 RCC's at just 12mths made breed history as the first undocked GSP to be awarded a CC. Tia loves working on the shoot and is always placed at Working Tests.

In 2012 my 4th litter arrived, SHCH Jennaline Pete's Uptown JW and Tia produced my 3rd Show Champion in just 4 litters. Evie, SHCH Jolicoem Lalique, 8CC's and 2 RCC's to date, in 2016 won Group 2 at Boston and like Louis she won Best In Show at The GSPC Champ Show helping her become top winning Bitch for 2016. She works throughout the season where she is a valuable member of the HPR team. I travel the country training on different types of ground and game and have studied and sat the J.Reg's for field trials, in the future I hope to spend more time training in this sphere. I would like to thank the Central and Southern GSP Society for my invitation I am thrilled and consider it an honour to be asked to judge our beautiful breed.

Elanor Brown (Montalba)

I consider myself extremely lucky to have lived with GSPs for all of my life. Being an only child has always meant room for another dog in my eyes! My first handling class was when I was at the age of 6, at Wigton Open Show. The memory is imprinted on my mind as if it was yesterday and I have been hooked ever since.

Although my mum started out with Inchmarlo Monte Calvo and Heathermark Coriolanus, my first show dog was Purdey, (Inchmarlo Kirtle). From Purdey came Montalba Jennyanydots, but our success began with her children, Boris and Millie, our dream team. Between them they achieved many Best in Shows at open show level and 1CC and 4 RCCs. Millie has managed 20 Best Veteran in shows at open shows, as well as winning the Veteran Group at SKC in Aug 2017.

At the moment we have four of this gorgeous breed at home including our beloved Redmires girl and our show girl from a pet home, Newlands Pass to Montalba who received the bitch CC out of her first post graduate class at LKA in 2017. I have been a member of the YKC since I was 7, and have competed and been placed at the semi finals for both the handling and the stakes at Crufts regularly since then. I have been judging since I turned 16, and am thrilled that the committee have asked me to judge at their Breed Open Show.

If you would like to be included on our judging list please download an application form from our website and send to the Secretary Mr Adam Rose.

17. **Dogs in Vehicles on Hot Days** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
19. No modifications will be made to this schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.

21. Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
22. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
23. An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.
24. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.
25. Please do not obstruct gangways with trolleys. Storage space will be made available for trolleys/ cages.
26. If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to a disease, savage disposition, or any other cause, the dog may be excluded or removed from the show the dog must not be brought into the Show at any time under any circumstances. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.
27. The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event)
28. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been a) registered or recorded as having been bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate entry fees.
29. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
30. Exhibitors, owners/handlers who have to use the services of the veterinary surgeons on call are expected to pay for any treatment incurred at the time of treatment. These costs are the responsibility of the exhibitors, owners/handlers of the dogs and are not the responsibility of the C & S GSP Society.
31. Soft Crates: The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.
32. Exhibitors attention is drawn to the Kennel Club "Code of Conduct" which includes sections covering Harassment and Use of Social Media. The Code is available on the KC website.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (Annex B)

1. These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club licensed event. Objections may be referred to the General Committee for disciplinary action under these show regulations and/or for disciplinary action under Kennel Club Rule A42.

 - (d) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown. Nor must anything be done calculated to in the opinion of the General Committee to deceive.
4. The General Committee without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate), to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the show and the individual must produce evidence of identity at the time of lodging the complaint.

PHOTOGRAPHY & VIDEO RIGHTS

The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without the express written permission of the organisers. The taking of photographs in the venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites – this is for news purposes only. There is no objection to the general public taking photographs or video film of general views of the show, provided that these are for private use only. Specific dogs may be photographed only with the approval of the exhibitor.

No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned. Cinematograph or television equipment may only be used at the show if a permit has been issued by the Organisers.
