A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it will also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy. Withdrawal from Other Competition. Puppies which become eligible for Best Puppy in Show maybe withdrawn from all other competition, other than Breed Classes, prior to the competition for Best Puppy in Show in order to remain unbeaten. A puppy beaten in competition for Best Puppy in Show may subsequently be exhibited in all competition for which it was previously eligible. The dog declared Best Puppy in Show, however, must not compete in any subsequent competition. Dogs which become eligible for Best in Show maybe withdrawn from all other competition other than breed classes prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. Proviso For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.
13. Exhibits will not be admitted to Best in show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless that have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the show management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11
16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for exhibition.
17. All dogs resident outside the U.K. must be issued with a Kennel Club Authority to Compete number before entry to the show can be made. All overseas entries without an Authority to compete number will be returned to the exhibitor.
18. **Dogs in Vehicles on Hot Days** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

19. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
20. No modifications will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
21. The Committee will be most anxious for the care and safety of all dogs entered for exhibition and for any property entrusted to it, but it must be clearly understood by exhibitors and any other persons that the Committee will not be responsible for the entire or partial loss, detention of or damage to any dog or person for any cause whatsoever, nor any act or omission of themselves, their officers, servants, agents and others, and it is on this understanding only entries are received.
22. No animal other than exhibit duly entered at the show, will be allowed within the precincts of the show during its continuance.
23. Should a judge be prevented from fulfilling his/her engagement, the Committee reserve themselves the right appoint another to fulfil his/her duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be returned.
24. To help us comply with Fire regulations please do NOT obstruct the gangways with equipment etc. .
25. The Committee of this show cannot be held responsible for products advertised or sold by standholders at the show, and remind exhibitors that such products may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
26. Exhibitors/handlers are responsible for clearing up and removing any loose hair or fouling from dogs in their charge, or any other litter, whether from the car park, the exercise area or from any other part of the venue.
27. Owners, handlers, exhibitors or any other person in charge of a dog at a Kennel Club licenced event must ensure at all times that the dog is kept under proper control whilst at the licenced venue including its environs, car parks and approaches.
28. A dog may be disqualified by the General Committee from any award, whether an objection has been lodged or not, if proved amongst other things to have been registered or recorded as having been bred by the scheduled judge. This shall not apply to a Judge appointed in an emergency.
29. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
30. Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.
31. Soft Crates: The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.
