 - a. Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed and Best Puppy in Show respectively. Similarly, if the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed and Best Puppy in Show must follow the selection of Best of Breed and Best in Show respectively. Best Puppy in Show must be selected from puppies which have been judged and which are unbeaten by any other puppy. b. Withdrawal from Competition Puppies which become eligible for Best Puppy in Show may be withdrawn from all other competition, other than Breed Classes and Best Puppy in Breed, prior to the competition for Best Puppy in Show in order to remain unbeaten. Proviso For the purpose of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to one breed will not be considered to be a beaten dog.
12. Best in Show *From 1st January 2017, and for a period of one year the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to compete in the group or best in show competitions are suspended.*
 - a. The dog declared Best in Show is a dog which has competed and is unbeaten by any other dog exhibited at the same Show. Best in Show must be selected from all unbeaten winning dogs. Reserve Best in Show must be selected from the remaining unbeaten winning dogs following the selection of Best in Show. b. Withdrawal from other Competition Dogs which become eligible for Best in Show maybe withdrawn from all other competition other than breed classes and Best of Breed prior to the competition for Best in Show as appropriate in order to remain unbeaten. A dog beaten in competition for Best in Show may subsequently be exhibited in all competition for which it was previously eligible. The dogs declared Best in Show and Reserve Best in Show however, must not compete in any subsequent competition. Dogs may be withdrawn from AV Classes when judged before Breed Classes. c. Proviso For the purposes of this Regulation, dogs beaten in competition for Stud Dog, Brood Bitch, Progeny, Brace and Team or a Special Award confined to a single breed, will not be considered to be beaten dogs.
13. Exhibits will not be admitted to Best in show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless that have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the show management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
15. It is not acceptable to handle a dog in a manner which causes its feet not to touch the ground when on the move. Exhibitors should note that such practices could constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11
16. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for exhibition.
17. All dogs resident outside the U.K. must be issued with a Kennel Club Authority to Compete

number before entry to the show can be made. All overseas exhibitors without an Authority to compete number will be returned to the exhibitor.

18. Dogs in Vehicles on Hot Days Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

19. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered
20. No modifications will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
21. The Show will be held under Kennel Club Rules and Show Regulations. Every exhibitor making an entry or entries at this show shall be deemed to have agreed to abide by these Rules and Regulations and it is on this understanding only that entries are received.
22. The Committee of this show cannot be held responsible for products advertised or sold by stand holders at the show, and remind exhibitors that such products may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
23. Exhibitors/handlers are responsible for clearing up and removing any loose hair or fouling from dogs in their charge, or any other litter, whether from the car park, the exercise area or from any other part of the venue.
24. Parents/Guardians please note, well behaved children are welcome but those in charge of children will be held fully responsible for their actions and any damage caused within the environs of the show.
25. Owners, handlers, exhibitors or any other person in charge of a dog at a Kennel Club licensed event must ensure at all times that the dog is kept under proper control whilst at the licensed venue including its environs, car parks and approaches.
26. A dog may be disqualified by the General Committee from any award, whether an objection has been lodged or not, if proved amongst other things to have been registered or recorded as having been bred by the scheduled judge. This shall not apply to a Judge appointed in an emergency.
27. The attention of exhibitors is drawn to the fact that any coat preparation or shampoo or similar in either schedule or catalogue does not imply that the use of such preparation may not contravene Kennel Club Regulations for the Preparation of Dogs for Exhibition F. This also applies to any coat preparation or shampoo or similar on sale at the Show. The attention of exhibitors is directed to the Declaration they are required to sign on the entry form.
28. To help us comply with Fire Regulations please do NOT obstruct gangways with equipment etc.

29. Soft Crates: The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.
30. Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (B)

Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate), to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the show and the individual must produce evidence of identity at the time of lodging the complaint.

PHOTOGRAPHY & VIDEO RIGHTS The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors.
